FOR IMMEDIATE RELEASE

April 6, 2017

Last week, Coastal Carolina University took unprecedented measures against the entire cheerleading team, based solely on unsubstantiated accusations. I am shocked and saddened to see these girls become victims of these baseless claims from an anonymous source.

Even more disheartening is that these girls were not permitted due process in their own defense to show just how outlandish and ridiculous these allegations truly are. The Coastal Carolina Cheerleading team is full of bright, athletic, good, teal bleeding women and men who genuinely love their school.

I look forward to working on behalf of these girls to defend and uphold their integrity and bring the truth to light.
